Adlaw nga natawhan  
ni Sonya mao nga  
gihatagan siya ni Juana  
og regalo nga gansa.  
Ganahan kaayo si Sonya  
ni Susie Gansa apan kalit  
kini nga nawala.

“Haaayyy... asa kaha nako pangitaon si Susie,” pulong ni Sonya. Gitan-aw niya kini duo lug layo sa ilang balay. Misaka pa gani siya sa punuan sa kahoy aron malantaw niya ang gansa apan wala gyud kini hikit-i.

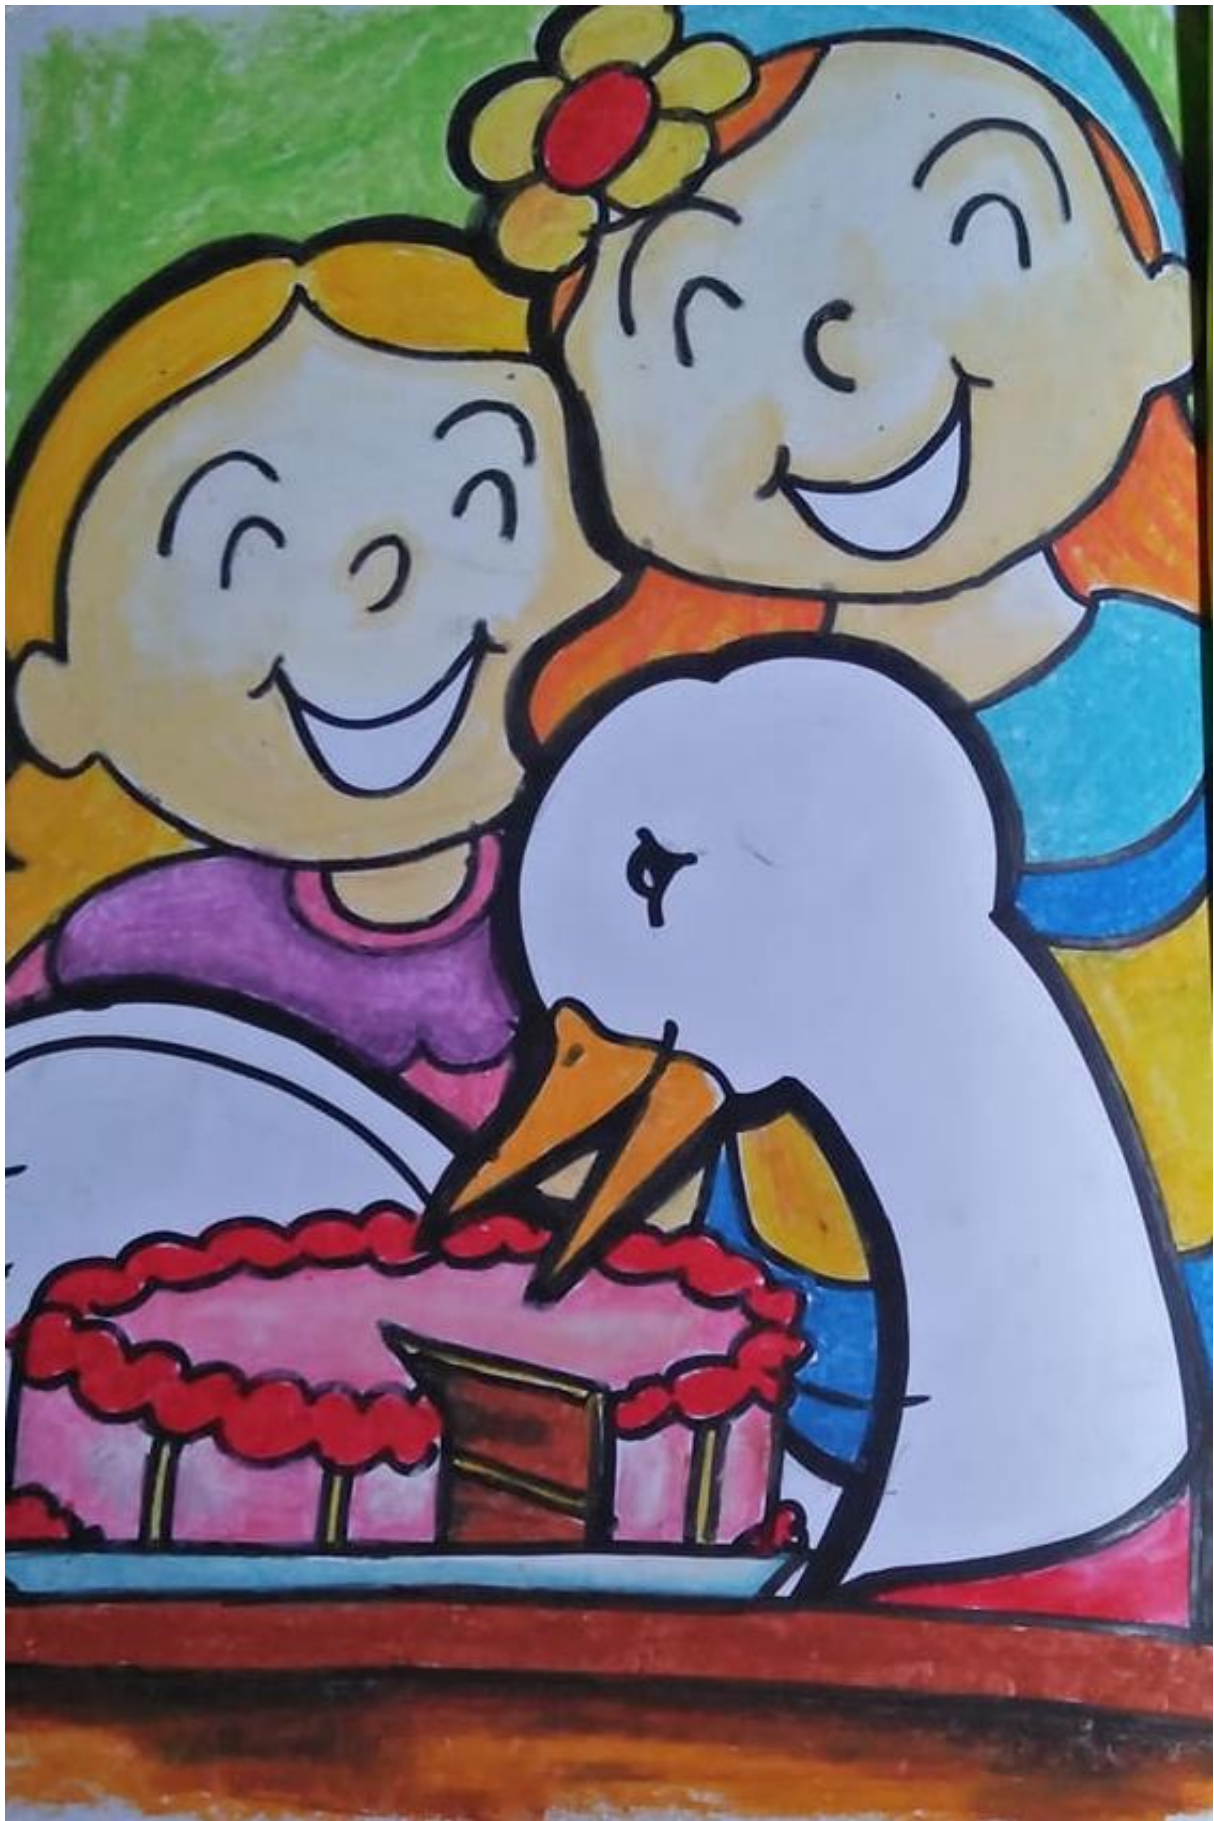

Naguol ug nihilak  
pag-ayo si Sonya.  
Maayo nalang niabot  
si Juana ug iyang  
gidala si Sonya sa  
ilang balay pamasin  
nga tua didto nipauli  
ang gansa.

Ilang gisubay sa  
nagkalain-lain nga  
parte sa balay si Susie.  
Unya malipayong  
gitawag ni Juana si  
Sonya nga  
nagkanayon “Tan-  
awa, dia ra diay si  
Susie.”

Nangatawa sila og  
maayo samtang  
nagsud-ong ni Susie  
Gansa nga nagkaon  
og cake.

# *English Translation:*

It is Sonia's birthday; Joana gave a goose as a gift Sonia. Sonia loved so much the goose which was named as Susie. But one day, it suddenly disappeared.

“ Ohhh “, where will I find Susie, “ said Sonya. She tried to look for it in a near and far away away place. She even looked and climbed on the tree just to find the goose but still she didn't find it.

Sonia was so sad and cried so much. It was good that Joana came and brought to her house to check if the goose is in their house.

They looked the goose in different parts of the house. Then, Joana gladly called Sonia and said, “ look, Susie is here”.

They laughed out a loud as they watched Susie eating the cake.
